## **ARTICLE II. AUTHORITY AND CONDITIONS PRECEDENT**

### **2.01 Expectations and Goals of the Parties**

(a) The GLO hereby engages the DRT, and the DRT, on behalf of the GLO, hereby accepts such engagement and agrees to operate and manage the Alamo Complex on the terms and conditions set forth in this Agreement.

(b) GLO and DRT agree that revenue shall not be generated by the imposition of admission fees to the Alamo Shrine.

(c) DRT is seeking under this Agreement the opportunity to enhance the Alamo Complex through (a) its access to and the use of the expertise of GLO, and (b) the generation of rental, concession and other sales, and other revenues from its operation of the Alamo Complex. GLO, in turn, fully supports the goal of DRT to enhance the Alamo Complex, but lacks available funding to support those ends without diverting essential resources from other GLO properties, programs and general operations. GLO expects the DRT to exercise its rights under this Agreement in such a manner as to enhance the Alamo Complex without placing significant financial demands on GLO and operate the Alamo Complex in compliance with this Agreement without operating funds or other financial support from GLO, except as specifically provided in this Agreement and HB 3726. DRT shall not take any action which diverts, reduces or restricts other funding available to GLO for other GLO properties, programs and overall operation.

(d) DRT expects continuation of the DRT Chapters' meeting and DRT events at Alamo Hall, cost free, subject to approval by the GLO, such approval not to be unreasonably withheld. Further, the DRT expects continuation of use of Alamo Hall by the San Antonio DRT Chapters which have historically been on-site at Alamo Hall, cost free, subject to approval by the GLO, such approval not to be unreasonably withheld, and with minimal impact to the Alamo staff.

(e) The DRT will be responsible for preparing and negotiating all agreements with its Chapters as it pertains to the use of the Alamo Complex, subject to approval by the GLO.

In the event this Interim Agreement, or any Permanent Agreement shall be terminated pursuant to Sec. 2.03, DRT shall have 90 days from the date of final termination to remove, from the Alamo Complex, all DRT owned items with the exception of the contents in the Library subject to Section 2.01 (i) of this Agreement. The GLO must approve and verify that the items being removed are not State property. Nothing shall be moved off-site without GLO signature of confirmation.

(f) DRT shall conduct its management and operation rights and responsibilities so as to further and achieve the expectations and goals of the parties, including, without limitation, the achievement of the goal described above of DRT being capable of operating the Alamo Complex in compliance with this Agreement.

(g) The GLO expects that the DRT shall explore all reasonable, cost-effective options to improve the visitor experience at the Alamo Complex, including improvements to site management and traffic flow at the Alamo Complex, the improvement of history education outreach programs and the utilization of multimedia and exhibits to inform the public about the history of the Alamo, while maintaining a strict focus on the dignity and decorum expected in the Alamo's role as the Shrine of Texas Liberty.

(h) The GLO expects that the DRT will continue to provide cost-effective history education outreach programs that emphasize historical accuracy, address the diverse and rich heritage of the Alamo and maintain the dignity and decorum expected in the Alamo's role as the Shrine of Texas Liberty. These educational outreach programs should continue to include a living history component, remain widely accessible to the general public and may be subject to fees as determined by DRT as allowed in this Agreement.

(i) The GLO and the DRT acknowledge that the DRT Library, which is a research library housed in a state owned building located on the Alamo Complex grounds, is an integral part of the education mission of the Alamo Complex. With the exception of the items listed on Exhibit A, all contents of the Library building are the property of DRT.

DRT will keep its collection at the Library during the life of this Agreement. The budget for Library operation expenses will be submitted to GLO as part of the Management Plan. All additional acquisitions for the DRT Library collection will be purchased with DRT funds. No Alamo funds will be used for acquiring new acquisitions added to the DRT collection.

This agreement for operation of the Library shall be in effect for the same term as set forth above in Sec. 2.03. In the event this Interim Agreement, or any Permanent Agreement shall be terminated pursuant to Sec. 2.03, DRT shall have twelve (12) months from the date of final termination to remove its contents in the Library from the Alamo Complex.

(j) GLO acknowledges that DRT has incurred and will continue to incur significant transition costs and expenses to its own organization for the implementation of this Interim Agreement to operate and manage the Alamo Complex. To reduce those costs and expenses, GLO agrees to pay to DRT the sum of \$10,000 per month on the first of each month as outlined in the Interim Expense Agreement. Any payments or requests for payments beyond the outlined transition period will be addressed in the Alamo

Management Plan. Any agreement in place at that time shall be amended to reflect the plan as agreed by both parties.

(k) The GLO expects to work with a qualifying non-profit organization organized as a foundation, with 501(c)(3) approval by IRS, with one of its major purposes being to raise funds for the benefit of The Alamo. Pursuant to Article 4.08 of this Agreement should modifications concerning the outside foundation be necessary or beneficial joint evaluation and amendments shall be considered during the annual review of the written Management Policy for the Alamo Complex.

## **2.02 Relationship of the Parties**

The relationship of the parties shall be that of the GLO as custodian for the State of Texas as owner of the Alamo Complex and of the DRT as independent contractor. All acts performed by the DRT during the term of this Agreement as the DRT of the Alamo Complex shall be deemed to be performed in its capacity as an independent contractor. Nothing contained in this Agreement is intended to, or shall be construed to give, rise to or create a partnership or joint venture, or to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the GLO whatsoever with respect to the indebtedness, liabilities, and obligations of the DRT or any other party. The DRT, using Alamo Funds, shall be solely responsible for, and the GLO shall have no obligation with respect to:

- (a) Withholding of income taxes, FICA, or any other taxes or fees;
- (b) Industrial or workers' compensation insurance coverage,
- (c) Participation in any group insurance plans available to employees of the State of Texas;
- (d) Accumulation of vacation leave or sick leave; or
- (e) Unemployment compensation coverage provided by the State of Texas.

## **2.03 Term**

The initial term of this Agreement shall commence upon the Effective Date and expire (unless terminated as otherwise provided herein) no later than eighteen (18) months. If DRT continues to be financially capable of operating the Alamo Complex in compliance with this Agreement, and can demonstrate to the reasonable satisfaction of GLO and the State of Texas its ability to continue to manage the Alamo Complex in compliance with this Agreement, DRT may elect to renew this Agreement for a final Management and Operating Agreement with an initial term of five years. Upon the expiration of that or any subsequent five-year term, and upon satisfaction of the same requirements and delivery of the same notice, DRT shall have up to three (3) additional five-year extension terms for a maximum aggregate extension term of twenty years commencing upon the expiration or

termination of the Interim Management Agreement. GLO may elect to terminate this Agreement at any time if: (a) the Legislature of the State of Texas fails to appropriate funds necessary for GLO to perform its obligations hereunder and DRT is unable to operate the Alamo Complex in compliance with this Agreement, (b) after the expiration of the initial term or any subsequent term, DRT thereafter becomes unable to operate the Alamo Complex in compliance with this Agreement without operating funds or other financial support from GLO, or after exhaustion of all Dispute Resolution Procedures as provided in this Agreement, or (c) DRT has breached a material provision of this Agreement and (i) such breach is not reasonably susceptible of cure or (ii) such breach remains uncured after thirty (30) days written notice thereof or after exhaustion of all Dispute Resolution Procedures as provided in this Agreement. DRT, within its sole discretion, may terminate this Agreement at any time on thirty days prior written notice to GLO if GLO fails to perform any of its material obligations hereunder in a timely fashion, including as a result of the Legislature failing to appropriate in a timely fashion funds sufficient to enable GLO to perform its obligations hereunder or to pay amounts owed DRT by GLO pursuant to this Agreement. DRT can also elect to invoke the Dispute Resolution Procedure to seek compliance by GLO with this Agreement. Upon the expiration or termination of this Agreement, all items acquired either with proceeds from the operation of the Alamo Complex or with proceeds of other revenue from the State of Texas or by donation to or otherwise in the name of or on behalf of the Alamo Complex shall be assigned to GLO.

#### **2.04 Other Activities of DRT**

Without limiting the provisions of this Agreement, DRT shall devote reasonably sufficient time, attention and resources to the performance of its obligations under this Agreement and the overall advancement of the Alamo Complex. During the term of this Agreement, DRT and the GLO shall not support any activity or project that might reasonably be expected to undermine the financial condition of the Alamo Complex, lessen its quality or otherwise conflict with expectations and goals of the parties set forth herein.

#### **2.05 Ownership of The Alamo Complex**

DRT acknowledges that the Alamo Complex and its Contents are owned by the State of Texas and under the jurisdiction of the GLO. DRT has the management, operation and other rights and obligations set forth in this Agreement and pursuant to the terms and conditions hereof. DRT shall take all reasonable steps required to inform the public of the rights and interests of the parties with respect to the Alamo Complex, including the placement of a legend (or other reference selected by DRT and reasonably similar thereto) on promotional materials related to the Alamo Complex in distinction to those related to DRT generally.

Any other use by DRT of the name, logos or marks of GLO in its materials shall be subject to the Trademark Agreement between the GLO and DRT. DRT acknowledges and agrees that its interests under this Agreement may not be assigned, licensed or pledged in any manner, nor does it possess the right to sell, transfer, convey, gift, assign,

lien or pledge any interest or item in the Alamo Complex or its Contents. DRT shall not move, or use at any location other than the Alamo Complex, any artifacts or archival materials owned by the State of Texas, donated to or acquired on behalf of the State for the Alamo Complex, held in storage for the Alamo or hereafter donated to or acquired by the Alamo except to effectuate the short-term loan of those artifacts or materials or for temporary exhibits or programs to benefit the Alamo without the written approval of the GLO.

## **2.06 Retention of Authority by GLO**

The DRT, using Alamo Funds, shall manage and operate the Alamo Complex in the name of, and for, the GLO. Notwithstanding any other provision of this Agreement, by entering into this Agreement, the GLO does not delegate to the DRT any powers, duties, or responsibilities that it is prohibited by law from delegating. The GLO also retains such other authority and control that has not been expressly delegated to the GLO pursuant to this Agreement. The State of Texas shall at all times maintain ownership of the state-owned assets and ultimate control over the operation of the Alamo Complex by GLO.

## **2.07 Regulatory Compliance**

- (a) The DRT understands that as a material condition of this Agreement, the DRT shall comply with all applicable regulatory requirements for the operation of Alamo Complex.
- (b) DRT, using Alamo Funds, shall promptly comply with all (i) federal, state, county, municipal and other governmental statutes, laws, rules, orders, regulations, ordinances, judgments, decrees and injunctions affecting either the Alamo Complex or DRT's construction, operation or alteration thereof, whether now or hereafter enacted, including, without limitation, any laws regarding any hazardous substances, solid wastes, or other substances known or suspected to pose a threat to health or the environment ("Laws") and (ii) the terms of any insurance policy described in the Management Plan or otherwise required by this Agreement ("Insurance Requirements").
- (c) Without limiting the foregoing, DRT agrees that it will not permit (i) any unlawful occupation, business or trade to be conducted at the Alamo Complex or any use to be made of the Alamo Complex contrary to any Laws or Insurance Requirements applicable thereto, nor (ii) anything to be done in or on the Alamo Complex in a manner that may make it impossible to obtain fire or other insurance thereon which DRT is required to furnish hereunder or will cause or be likely to cause structural injury to or diminution of the market value of the Alamo Complex, or that will constitute a public or private nuisance or waste.
- (d) Specifically the Parties agree to adhere to **Exhibit B**, H.B. No. 3726 82<sup>nd</sup> Legislature, State of Texas 2011.

## **2.08 Licensing**

The DRT shall, using Alamo Funds, obtain (if applicable) and maintain all licenses, permits, qualifications, certifications, and approvals from any applicable governmental agency required for the operation of the Alamo Complex. The DRT shall file annually with the GLO current copies of all required licenses and certifications and make them available for inspection by the GLO.

DRT must maintain the DBA "The Alamo" with the Texas Secretary of State. Such DBA shall be relinquished to the GLO should this Interim Management and Operating Agreement or any subsequent agreement be terminated.

The GLO and the DRT have entered into a Trademark Agreement which controls licensing and is attached to this agreement as **Exhibit C**.

## **2.09 Operational Policies**

The DRT shall submit to the GLO for its approval, the DRT's current Alamo policies, procedures, and forms, consistent with all applicable procedural and regulatory guidelines herein, upon the execution of this Agreement. The DRT will forward to the GLO copies of all Alamo annual plans, policies, and procedures at least annually, including, as they are enacted, copies of any supplements, changes, or alterations. DRT will forward to GLO any changes or updates to their by-laws necessary to implement this Agreement. The DRT further agrees to establish a procedure for reviewing and updating all Alamo plans, policies, and procedures, and to submit such procedure for the review and comment of the GLO. Such procedure shall call for all Alamo plans, policies, procedures, and forms to be reviewed by the DRT for regulatory and procedural compliance not less than annually. Any Alamo policies, procedures, and forms developed under this Agreement, including any updates, will be the property of the GLO and, in the event of the cancellation or termination of this Agreement, will remain so.

## **2.10 GLO's On-Site Representative**

(a) The GLO shall have the right under this Agreement to designate an On-Site Representative who shall have the right to participate in the DRT staff meetings regarding the operations of the Alamo Complex, and who shall be informed of all complaints pertaining to the Alamo. The failure of GLO to designate an On-Site Representative for any length of time is not a waiver of its right pertaining to an On-Site Representative. However, nothing herein shall be construed as limiting the right of the DRT to conduct confidential meetings with its managerial employees outside the presence of the On-Site Representative. The On-Site Representative will closely monitor the DRT's compliance with this Agreement to protect the interests of the GLO. The DRT shall not interfere with such duties of the On-Site Representative except as may be reasonably required to fulfill its duties to the GLO. The On-Site Representative will serve as the GLO's on-site official regarding contact with GLO. Except for emergency situations, the On-Site Representative

shall not interfere with the DRT's employees as they perform the duties of the DRT under this Agreement. The GLO shall receive and consider any complaints or conflicts that the DRT has concerning the status of an On-Site Representative. Furthermore, the GLO assumes full responsibility for the consequences of any actions taken by the On-Site Representative in the course of his/her duties, and nothing in this Agreement shall be construed as establishing an agency relationship (a fiduciary relationship created by express or implied contract or by law in which DRT may act on behalf of GLO and bind the GLO by words or actions) between the DRT and the GLO's On-Site Representative for any purpose.

(b) DRT agrees to allow one seat on its Alamo Committee to be held by an employee selected by GLO. The GLO employee shall be a non-voting member of the Alamo Committee, and may be excluded from any Committee deliberations specifically pertaining to a dispute or negotiation with GLO. The GLO employee of the Alamo Committee shall be advised in advance of any discussions by the DRT Board of Management regarding the management of the Alamo Complex and shall be invited to participate in those discussions unless they relate to disputes or potential disputes between the DRT and the GLO.

## **2.11 Insurance and Bonds**

(a) The DRT shall, from Alamo Funds, acquire insurance and/or bonds, with financially sound and reputable independent insurers, in the type, amount, and under the conditions agreed by GLO and DRT for the duration of this Agreement. Furthermore, the DRT agrees to provide to the GLO, annually, all insurance policies obtained by the DRT under the terms of this Agreement, including a schedule of coverage (or "underwriter's schedules") establishing to the satisfaction of the GLO the nature and extent of coverage granted by each such policy. In the event that following any audit by the GLO any such policies are found to be deficient to comply with the terms of this Agreement, the DRT will provide such additional policies as the GLO may reasonably request or that are required by law or regulation.

(b) DRT shall obtain and maintain from Alamo Funds, such property and casualty, general liability, and workers compensation insurance reasonably adequate for the operation of the Alamo Complex in such amounts, with such deductibles and coverages, and placed with such insurer(s), as are reasonably acceptable to GLO and set forth in the Management Plan. Without limiting the foregoing, the insurance required of DRT hereunder shall include the State of Texas and GLO as "Additional Insureds" by endorsement. To the extent permitted by law and subsequent to the Effective Date, GLO, at its sole option, may present a proposal to DRT for the provision of casualty insurance for the buildings, contents and collections of the Alamo Complex. The State of Texas and GLO are self-insured, and any liability for casualty, medical, employee, or other loss related to the ownership and operation of the Alamo Complex and regarding the State of Texas or GLO shall be handled in accordance with the applicable statutes and rules of the State of Texas. Without limiting the provisions hereof, this Agreement shall not be considered nor in any way constitute a waiver of sovereign immunity of the State of Texas or GLO, nor of immunity from liability of the employees of GLO for acts within the

course and scope of their employment.

### **ARTICLE III. REPRESENTATIONS AND WARRANTIES - DRT**

#### **3.01 DRT Representations**

To induce the GLO to enter into this Agreement, the DRT represents and warrants to the GLO as follows:

The DRT is a Texas non-profit corporation duly organized, validly existing, and in good standing with the Texas Secretary of State, and has the power and authority and all governmental licenses, authorizations, consents, and approvals to own its assets, carry on its business as now, and proposed to be, conducted and to execute, deliver, and perform its obligations under this Agreement.

(b) Governmental Authorization. No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any governmental agency is necessary or required in connection with the execution, delivery or performance by, or enforcement against, the DRT of this Agreement.

(c) Litigation. Except as specifically disclosed in writing to GLO, there are no actions, suits, proceedings, claims, or disputes pending or, to the best knowledge of the DRT, threatened or contemplated, at law, in equity, in arbitration, or before any governmental authority, against the DRT that purport to affect or pertain to this Agreement. Furthermore, the DRT shall notify the GLO, without delay, of any lawsuit or potential lawsuit related to the operation of the Alamo Complex or any action that may affect this Agreement.

#### **3.02 Marketing**

The DRT will coordinate with the GLO in the Alamo marketing plans and procedures implemented by the DRT and approved by the GLO. The DRT will cooperate with the dissemination of Alamo informational materials, media releases, and other related informational materials generated by the GLO as part of the GLO's obligations hereunder. DRT will not present, disseminate, or otherwise release any Alamo information for any marketing aspects without the prior express approval of the GLO Office of Communications, such approval not to be unreasonably withheld. GLO will respond to DRT on all marketing requests/proposals within 10 days. This response can be an acceptance, a rejection, a request for more information or a request for additional time to review. Nothing contained herein shall in any way impose any obligation on GLO to expend any funds in such marketing efforts, but rather marketing efforts shall be solely at the expense and obligation of the DRT funded by Alamo Complex funds.

## **ARTICLE IV. MANAGEMENT AND OPERATION**

### **4.01 Management and Operations**

Subject to GLO approval and the restrictions provided elsewhere in this Agreement, DRT's management and operational rights and responsibilities shall include : a fee schedule and implementation plan for special educational or promotional programs at the Alamo Complex; marketing and promotion of the Alamo Complex in an effective manner; maintaining a public website for the Alamo Complex that meets the highest standards for aesthetic design, ease of use, historical accuracy and advanced technology; providing for the prudent maintenance and operation of the buildings; providing for proper conservatorial care and presentation of the historical Contents and collections held at the Alamo Complex; setting the hours of operation of the Alamo Complex to reasonably maximize revenue and accommodate the public; providing adequate security for the Alamo Complex, its Contents, staff, and visitors; determining the utilization of space within the Alamo Complex's buildings for Alamo Complex purposes to reasonably maximize revenue and enhance the Alamo Complex's appeal; continually improve the educational exhibits to maintain historical accuracy and accessibility.

(b) GLO Confirmation. The GLO shall have the right to review the selection of and continued employment of the Alamo Administrator and the level of Director of any area of the Alamo Complex. In the event that the GLO has any concerns to either the selection or continued employment of the Alamo Administrator or Director level, the GLO shall submit to the DRT objective evidence indicating that such individual or individuals have failed to comply with policies or procedures (promulgated either by the DRT or the GLO) or that the performance of such individual or individuals has not been adequate in accordance with usual and customary standards for such position in the industry. After consultation, the DRT shall address such concerns by taking such remedial action as the DRT deems appropriate, subject to the GLO's approval or, if necessary, by removing or reassigning such individual or individuals. Nothing contained herein shall in any way be deemed to modify any employee's status as an at will employee of the DRT, nor shall any

individual fulfilling any of the functions described above be in any way a third party beneficiary or receive any other rights or authorities under the terms of this clause. The selection and continued employment of any parties fulfilling the functions described above are in the discretion of the DRT, subject to the GLO's review and approval.

Background checks shall include criminal history, employment history, credential certification, and, where appropriate, contractor eligibility. In exercising its obligations hereunder, the DRT may obtain information from any third parties in the business of providing such investigations. The results and documentation thereof will be maintained by the DRT as part of the employee's personnel file.

(ii) Licensing and Credentialing. The DRT shall verify that all personnel employed at the Alamo Complex are properly licensed, certified, and meet Regulatory Agency standards for the work they are performing.

The DRT shall notify the GLO of the need for the purchase of any Capital Equipment or the addition of any Capital Improvements (collectively "Capital Expenditures") that the DRT believes are necessary for the effective management and operation of the Alamo Complex under this Agreement. The GLO shall respond to the DRT's recommendation in a timely manner in light of all surrounding circumstances and the DRT's request, acknowledging that: (i) the DRT's recommendation has been rejected and stating the basis for such rejection; or (ii) the DRT's recommendation has been approved and that the DRT shall take the appropriate steps to purchase or acquire the recommended Capital Expenditure(s); or (iii) the GLO has modified the DRT's recommendation and the DRT shall take appropriate steps to purchase or acquire the Capital Expenditures as indicated by the GLO, using Alamo Funds or other sources.

#### **4.05 Accounting**

The DRT, using Alamo Funds, shall provide accounting support to the Alamo Complex,

which shall include timely preparation of all required cost reports and tax returns (including payroll-related tax returns) at the DRT's expense as required by the GLO. The DRT may implement a charge structure for goods and services furnished by the Alamo Complex. The DRT, in the name of and on behalf of the GLO, shall promptly issue invoices and other necessary reports to appropriate parties and shall collect accounts and monies owed for goods and services furnished by the Alamo Complex in the name of and for the account of the GLO including timely and vigorously enforcing the rights of the GLO and the Alamo Complex as creditors under any contract or in connection with the rendering of any services; provided, however, that any expenses incurred by the DRT in so doing shall be treated as Operating Expenses of the Alamo Complex and payable by the DRT, from Alamo Funds, unless such collection efforts exceed the DRT's standard collection procedures, in which case the DRT shall promptly transfer such accounts to the GLO and further collection efforts shall be a GLO responsibility. All monies collected by the DRT for the Alamo Complex shall be deposited promptly in bank accounts established by the Texas Comptroller of Public Accounts for the name of the GLO in the GLO's account designated for the Alamo Complex Account.

#### **4.07 Collections Liability**

The DRT, in accordance with its approved collections policy, shall promptly and diligently pursue all collections on any unpaid balances due to the Alamo Complex from any payer source.

DRT shall maintain, separately from DRT, Inc., in good form, a record of all financial transactions relative to the management or operation of the Alamo Complex, including, but not limited to, purchase orders, invoices, receipts, ledgers, income statements and balance sheets for documentation of all incoming and outgoing financial transactions. All such records, reports and files shall be retained by DRT for a period of seven (7) years, provided, however, that if a dispute arises in any manner related to said records, reports or files or the information therein contained, said materials shall be retained until said dispute is fully and finally resolved as acknowledged in writing by both parties. During the term of this Agreement or within seven (7) years following its termination, all such records, reports and files may be copied by GLO, at GLO's expense.

(b) A written Annual Management Plan (the "Management Plan") listing the activities to be conducted at the Alamo, employment of an Alamo Administrator, projected number of employees, operating hours, rental policies and practices, the planned use of space within the Alamo Complex, insurance coverages, deductibles and policy terms, and scheduled maintenance and repair of the Alamo, including a written budget, shall be developed through the cooperative efforts of GLO and DRT. Consistent with the expectations and goals of the parties, the primary focus of the Management Plan and of the overall efforts of DRT thereunder shall be to enhance preservation and education revenues generated from, and financial resources available for the Alamo Complex.

The first Management Plan will be due to the GLO on April 1, 2012 and will cover the period April 1, 2012 through August 31, 2012. A first draft of this plan shall be provided to the GLO no later than February 29, 2012 for review and comments. At least 45 days prior to the start of the fiscal year, DRT shall develop a proposed Management Plan and budget for the next year, which shall be submitted to GLO for its review. GLO shall submit to DRT any recommended changes or other comments to the proposed Management Plan and budget not later than July 31. In the event DRT and GLO fail to agree on a Management Plan and budget on or before August 31, GLO or DRT (if the failure continues for an additional thirty (30) days) may submit the matter to dispute resolution pursuant to Article VI of this Agreement. Once approved, DRT shall operate the Alamo in accordance with the then-applicable Management Plan, using Alamo Funds. In no event shall an approved Management Plan and budget be changed, modified or adjusted in any material respect without the prior written consent of GLO. For purposes of this Agreement, a "material" change, modification or adjustment shall mean: any

modification to the hours or days of operation of the Alamo, any modification or variance regarding the approved insurance, any modification to the collection policy or other policy regarding the operation of the Alamo, the deaccessioning of any item in the Alamo Contents except either (i) as permitted by the GLO, or (ii) an item owned by DRT, or (iii) any act in contravention of this Agreement. Further, DRT shall not make any major decision without first notifying GLO in accordance with this Agreement, whereupon GLO may elect to submit the matter for dispute resolution pursuant to Article VI of this Agreement.

(c) For the purposes of this Agreement a "major decision" shall mean a change exceeding the lesser of ten percent (10%) or \$10,000.00 in any budget or line item contained in the budget included in the Management Plan, the cancellation of an activity listed in the Management Plan or the addition/substitution of a new one, any significant reduction in staffing levels of the Alamo Complex, any significant reallocation of space or a change in the type of use of space in the Alamo Complex, any change in the organization or management of DRT that directly impacts the operation of the Alamo Complex, the hiring or firing of the Alamo Administrator and other staff at the Director level or higher, any change in DRT's corporate or tax exempt status, any modification to the Alamo Complex's insurance coverages or any act (including the assumption of any monetary or other obligations) that might reasonably be expected to render it difficult or impossible to carry on DRT's current business and mission or its obligations under this Agreement.

(b) DRT shall use its best good faith efforts to increase currently available funding for the operation and enhancement of the Alamo Complex through the promotion of gift shop sales and such other means as the parties may jointly determine. DRT agrees to commit efforts and energies as it reasonably believes are necessary to achieve and maintain the goal of DRT being financially capable of operating the Alamo Complex in compliance with this Agreement without financial support from the GLO. All contributions received by GLO or DRT which are (a) payable to "The Alamo," (b) for the benefit of the Alamo or (c) received on behalf of the Alamo shall be deposited by GLO or DRT in the Alamo Complex Account.

(c) Upon the execution of this agreement, the cash balances in all the Alamo accounts and in all accounts identified by the GLO and listed on **Exhibit D** as being state money held in trust for the Alamo Complex by the DRT shall be initially transferred to the Alamo Complex Account in the State Treasury in a manner agreed to by the GLO and DRT. The balances indicated on Exhibit D are unreconciled account balances as of November 30, 2011, and may not be the amount that is actually transferred due to reconciliation and timing differences. Actual Amounts will be determined at date of transfer. As an exception to this transfer, the amount of funds necessary to operate the Alamo Complex for up to a 90 day rolling average and to satisfy any minimum account balance requirements as agreed to by the GLO and DRT will be accounted for and subsequently withheld from the initial transfer above. Any Investment accounts will be reviewed for liquidation and the funds transferred to Alamo Complex Account so as to minimize any investment loss.

(d) Funds from and proceeds of restricted donations and grants will be accounted for and distributed to DRT or the Alamo Complex Account in accordance with the Donor's expressed intent. Interest, investment income and other earned proceeds from restricted donations and grants will be accounted for and distributed to DRT or the Alamo Complex Account in accordance with the Donor's intent. Such distributions shall be made within the same manner and timeframe after the date of this Agreement as before.

Furthermore, the GLO and DRT agree to review and update **Exhibit A** and **Exhibit E** no less than annually. Nothing in this Agreement shall operate to transfer title to the GLO or limit the right of DRT upon expiration or termination of this Agreement for any reason to remove items of equipment or other personal property and supplies purchased solely by DRT (and not charged to the GLO) for use by its staff in performing their responsibilities hereunder which are beyond the usual and customary equipment and supplies for fulfilling DRT's duties hereunder.

#### **7.10 Purchasing**

The GLO and DRT also acknowledge that capital assets purchased, constructed or donated that meet or exceed the Comptroller's established capitalization thresholds or minimum reporting requirements must be uniformly classified using the State Property Accounting (SPA) class code structure. These requirements are identified on the Comptroller's Web site at <https://fm.xcpa.state.tx.us/fmx/pubs/spaproc/index.php>. DRT agrees that it will provide sufficient information to the GLO to allow it to properly classify and record all capitalized, or controlled assets in the State Property Accounting system and /or the GLO records as required by the Comptroller.

DRT agrees not to dispose of, transfer or sell any capital asset without the express approval of the GLO. The DRT also agrees to notify the GLO of any capital assets that are determined to be missing or stolen so that the GLO can ensure that the State regulations regarding missing or stolen property are followed. The GLO will conduct an inventory of the Alamo Complex at least annually.

(a) Except as otherwise specifically provided in this Agreement, DRT, using Alamo Funds, shall furnish all materials, supplies, equipment, and labor for the proper performance of its management and operation responsibilities. GLO reserves the right to make changes or alternations to diminish or further restrict DRT's management and operational responsibilities as a result of either (i) DRT's default under this Agreement or (ii) GLO's good faith determination that such changes or alterations are required to comply with applicable law.

(b) This change or alteration is subject to exhaustion of the Dispute Resolution process in Article VI, after notice required by Section 6.01, and an opportunity to cure. DRT's management and operation responsibilities shall not be expanded or increased without the written consent of both parties. The GLO shall respond promptly, but in no event later than twenty-four (24) hours after receiving such emergency request. If such emergency request is approved, the GLO and DRT will coordinate the purchase of the Capital Equipment and/or Capital Improvement in an expedited manner.

If DRT must act without approval of the GLO in order to prevent an immediate threat to the health, safety or well being of a visitor or employee, legal title to any Capital Equipment purchased by DRT, using Alamo Funds, shall rest with GLO and title to any Capital Improvement shall remain the property of the GLO.

(e) Third-Party Service Contracts. Unless otherwise notified by the GLO, DRT, using Alamo Funds, shall enter into and pay for all service contracts necessary to operate and manage the Alamo Complex in a manner consistent with all applicable federal, state, and local laws, regulations, and the terms of this Agreement. All contracts between DRT and a third party for such services shall require the third party to allow the assignment, at the GLO's direction, of DRT's rights and obligations under such contracts to the GLO or DRT's successor. DRT shall use its good faith efforts to maintain compliance with all contracts. DRT shall execute such contracts in its legal capacity. Prior to engaging any contractor, DRT shall provide a background check similar to that covered in Section 4.01(c)(i) for any contractor, and shall verify the contractor's eligibility for receiving state or federal contracts, using the Texas Building and Procurement Commission's *Vendor Relations Program* for suspended and debarred vendors and the Federal General Services Administration's *List of Parties Excluded* from Federal Procurement or Non-Procurement Programs. In the event that any third-party service contracts are entered into by the GLO (rather than DRT) then, in such event, DRT shall have the right to consult with the GLO on any contracts which have an effect on DRT's ability to comply with the terms of this Agreement. If at any time during the term of this Agreement DRT shall present to the GLO objective evidence of any non-compliance by any contractor selected by the GLO, which non-compliance impairs or affects DRT's ability to effectively perform its functions under this Agreement, the GLO shall secure corrective action by contractor in default thereof, up to and including termination.

(f) State and Federal Contracts. The GLO at its option may make available to DRT or DRT's subcontractors the ability to purchase goods and services under State Term Contracts (STC) or Federal Supply Schedules (FSS). If DRT engages in such contracts all purchases must be made for the exclusive use of the Alamo Complex and in accordance with the particular terms of the contract.

(g) Information Systems. DRT, using Alamo Funds, shall be responsible for payment of all necessary expenses related to usage charges, upgrades, maintenance and repair, and purchase of hardware or software, as is necessary to maintain the information systems for the Alamo Complex. Any software or hardware information systems which are mandated, encouraged, or promoted as a result of any action by the GLO, shall be acquired by the GLO with all costs being an obligation of the GLO.

## **7.11 Surplus Property**

DRT shall submit to the GLO no less than annually, a list of all Equipment (if any) DRT believes is surplus or is beyond repair. DRT shall cooperate with the GLO in disposing of such equipment in accordance with applicable state and federal surplus property disposal laws.
